The Maryland accredited lead inspector must mark an inspection category 1, 2, 3, 4, or 5 and mark the appropriate inspection method. Only ONE category and method are to be marked. The following attachments are required to be submitted with the certificate: Form B and Original Signed copy of Supervisor's Statement of Work for Visual Inspections, Form C and laboratory results for Dust Inspections and Form E for Lead-Free. The certificate shall be signed by the inspector who performed the inspection. Inspection certificates and all required attachments must be submitted to MDE within 10 days after the receipt by the inspector of dust sample results or within 10 days following a Visual Inspection. Copies of all inspection records shall be maintained for at least 5 years by the lead inspection contractors. Maximum penalties will be pursued by MDE for any falsified documentation that is received by MDE.
